Documentation for the recognition of your project costs

To whom it may concern,

the EUKI Conference 2022 will take place on September 20 and 21. At the same time there will be a big fair (“Inno-Trans fair”) in Berlin. Thus, we expect the cost for accommodation to be significantly higher and probably beyond regular travel guideline thresholds.

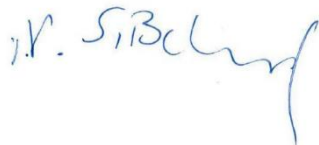

Due to the given circumstances, we accept gradually higher accommodation costs. Despite this situation, we kindly encourage you to look for a reasonably priced hotel.

For your reference, we sampled screenshots of search queries for hotel costs during the EUKI Conference, close to the conference venue Potsdamer Platz, Berlin¹. The following filters were applied for search:

- Dates: September 19- 23, 2022
- Location: Hotels close to Potsdamer Platz, Berlin
- Rating: good or better

Please submit this document together with your other supporting documents within the specific financial statement as a reference.

With best regards,
