

Hotel Tips for on-site participants of the EUKI Conference “Fostering the Green Transition” and the EUKI Academy Workshop “Purposeful Partnerships and Cooperation” September 2022, Berlin

Finding a hotel in Berlin

Berlin offers a wide range of hotels – however since there is a big trade fair taking place in Berlin at the same time, finding a hotel in Berlin might be more difficult and expensive than usual. Due to these exceptional circumstances, it is possible for recipients of a current EUKI-funding to bill the traveling cost within their financing budget, even if the costs amount up to 300-500 EUR/night. For these cases please take into account the information about travel costs as detailed in [Annex 1](#) and use [Annex 2](#) to complete the documentation for the recognition of your project costs by GIZ or for potential external audits.

There are still rooms available at the [Scandic Potsdamer Platz](#), where the EUKI Conference will take place. These rooms cost 439 EUR/night including breakfast. Please note that the number of reserved rooms is limited. If you're interested in booking a room at the Scandic Potsdamer Platz, please call the hotel directly ([+49 30 7007790](tel:+49307007790)) and refer to “EUKI Conference”.

If you can't find a suitable accommodation in the center of Berlin, close to our conference hotel [Scandic Berlin Potsdamer Platz](#) (Gabriele-Tergit-Promenade 19, 10963 Berlin), we recommend looking for hotels outside of the center of Berlin, but still within reach of good public transportation.

We have gathered some hotel options – some of them are located a bit outside of the city center, but still offer access to good public transportation options that get you to Potsdamer Platz in less than 30 minutes.
